

# 2024 SOUTH CAROLINA SUSTAINABLE FORESTRY TEACHERS' TOUR

**June 17-21, 2024**  
**Aiken, SC**

**60 renewal credits | 6.0 CEUs | 3.0 hrs grad. credit**

## DESCRIPTION:

The SC Sustainable Forestry Teachers' Tour is a professional development course designed for educators seeking a hands-on outdoor learning experience. Participants will visit forests, logging operations, and wood product mills around Aiken, SC. Our objective is to give educators an overview of SC's \$23 billion forest industry, looking closely at forestry's economic, environmental, and social impact on our state. Let nature inspire new teaching methods, recharge your batteries, and foster curiosity by learning how to integrate natural resources, forestry, and conservation into your own classroom.

You'll receive 6.0 Pre-Approved CEUs, 60 renewal credits, or 3.0 hours of graduate credit from the College of Charleston through online coursework prior to the tour week. Tour graduates can receive funding for field trips from the SC Forestry Foundation to programs like Wood Magic Forest Fair, and other natural resource education facilities and areas around the state.

## COST:
