

2023 SOUTH CAROLINA SUSTAINABLE FORESTRY TEACHERS' TOUR

**Help support a teacher attending the 2023
SC Sustainable Forestry Teachers' Tour.**

**Sponsor a local teacher, share information about your company, and create a
more connected community that supports our SC forest industry!**

The SC Sustainable Forestry Teachers' Tour provides selected teachers a first-hand experience of the forests and mills of South Carolina, with curriculum that focuses on the impact forests have on our state's environment, economy, and quality of life. As a sponsor, you will offset some of the program costs associated with the tour, and help the SC Forestry Foundation provide a worthwhile education program for all participants. On the back of this flyer is a list of teachers attending the 2023 Teachers' Tour. If you would like to sponsor specific teacher(s), please list on the card below:
