

# Professional Development Event

## PROJECT WILD & PROJECT LEARNING TREE EDUCATOR WORKSHOP

Interested in getting your K-8th grade students or participants more engaged with interdisciplinary conservation and environmental education curricula?

Join Palmetto Project WILD and South Carolina Project Learning Tree for a fun day of professional development. Go home with two curriculum guides that are correlated to NGSS!

Bring a Bagged Lunch and Reusable Mug and Water Bottle. There is an Earth Day Celebration at the science center that you can attend at the conclusion of the workshop!

Workshop Fee: \$43.00

\*\*\*Approved for 6 SCDE renewal credit hours!\*\*\*
