*Our success with this event would not be possible without the support of our sponsors, door prize donors, special contributors and participants. Thank you all so much for your continued support!!*

*A special Thank You to BackWoods Quail Club for hosting this annual event, and to Remington/Murski-Breeding Sales, Inc. for providing participant gifts and assistance with shotgun purchases.*

"Klays for Kids" is a fund raising event that is sponsored by "Log A Load for Kids" and the SC Forestry Association. Last year this event raised over \$33,000 for MUSC Children's Hospital, and over \$320,000 over the past 12 events!

"Log A Load" is a fund raising opportunity for loggers and other forestry industry personnel in conjunction with forestry organizations and associations to raise money for local Children's Miracle Network Hospitals. Started in South Carolina in 1988, 'Log A Load for Kids' has grown to include 27 states. 100% of the money raised remains with the local participating Children's Miracle Network hospital, or the hospital of the donor's choosing.
