

Pre-Conference Workshop:

A Project Learning Tree (PLT) Workshop will be offered from 1 to 4 at the Moncks Corner Inn. Max 25 people. (<http://www.scforestry.org/PLTFocusOnForestsSAF.pdf>).

Field Tour:

A pre-conference **Field Tour** of Medway Plantation will be offered on Wednesday, June 13, to the first 35 registrants. Medway Plantation is a 6,000-acre privately owned plantation, whose history dates back more than 300 years. The plantation is adjacent to Goose Creek, SC, a bustling bedroom community to Charleston, SC, and its forestry management is central to Medway's past and future. The plantation exemplifies the meeting's theme of **Keeping Forests Working in an Urbanizing World**.

Technical Session:

The Appalachian Society of American Foresters, South Carolina Division's 2018 Summer Meeting will focus on **Keeping Forests Working in an Urbanizing World**. The technical session on Thursday, June 14, 2018, will address ways in which to keep forests productive in light of the increasing population pressures.

Social:

The Social will be held on **Wednesday, June 13** from 6:00-8:00 p.m. at Santee Cooper's Somerset Point in Pinopolis, SC, overlooking Lake Moultrie. A dinner meal of barbeque and beverages will be served.
