

2024

FORESTRY FOUNDATION SCHOLARSHIP APPLICATION GOVERNOR'S SCHOOL FOR AGRICULTURE

The Forestry Foundation's Governor's School For Agriculture Scholarship is designed to assist in pursuing higher education or training for a future profession in the wood supply chain.

To qualify, candidates must be a citizen of South Carolina, maintain a 2.0 GPA or better, and graduating in the Spring of 2024.

Scholarships are awarded based on academic performance, financial need, and commitment to future employment in the wood supply chain.

One scholarship in the amount of \$2,000 will be awarded to a deserving student.

The Forestry Foundation must receive the following from each applicant **by March 31, 2024**:

- A 1-2 page essay describing why the applicant should be considered for the scholarship. Include complete contact information at the top of the essay.
- A recent high resolution head-and-shoulders photograph.
- A copy of the applicant's latest official transcript or equivalent.
- Full contact information for at least two references.

Packets should be emailed to: scfa@scforestry.org

with the subject line of **Forestry Foundation Governor's School For Agriculture Scholarship**

or write: **Forestry Foundation Scholarship, 4901 Broad River Rd., Columbia, SC 29212**

The SC Forestry Foundation, established in 1980, serves as the education, conservation, and research arm of the Forestry Association.
