

2020 SOUTH CAROLINA SUSTAINABLE FORESTRY TEACHERS' TOUR

Help sponsor a teacher to attend the 2020 SC Sustainable Forestry Teachers' Tour. We'll notify the selected teacher about your sponsorship.

The SC Sustainable Forestry Teachers' Tour is a project of the SC Forestry Foundation that provides professional development credit for certified teachers throughout the state. Selected applicants are given a first-hand experience of the forests and mills of South Carolina, with curriculum that focuses on the impact forests have on our state's environment, economy, and quality of life. As a sponsor, you will help offset the out-of-pocket cost to teachers, and help increase overall teacher enrollment. We believe we can continue bringing this experience to a diversity of educators, with your help!
