

SC SUSTAINABLE FORESTRY ADVANCED WORKSHOP

Apply now to learn more about sustainable forestry in this hands-on workshop!

Spend a weekend on the historic Hobcaw Barony in Georgetown, SC at this advanced workshop for graduates of the SC Sustainable Forestry Teachers' Tour. The 1 1/2 day course will focus in more detail on topics introduced during the tour. This will be a unique field experience, with activities designed to advance knowledge of sustainability practices and management of forests to enhance biodiversity. Participants will receive hands-on experience with skills that land managers use to assess forest ecosystems.

WORKSHOP TOPICS

- Assessment of forest stands for sustainability
- Restoration of longleaf ecosystems
- Enhancement of biodiversity
- Hardwood management
- Use of GPS & GIS

WORKSHOP DETAILS

- March 9-10, 2019
- Lodging and all meals provided.
- 1 hour of graduate credit from the College of Charleston with \$50 tuition.
- Online component prior to workshop; smart phone required for mapping activities.
