

SC SIC Grant Application Form

The South Carolina Sustainable Forestry Initiative Program Implementation Committee (SC SIC) offers grants that support SFI goals. Grants are awarded for projects that contribute to meeting SFI Program standards, increasing availability of certified wood, enhancing awareness of SFI, and improving sustainable forest management. Additional information about the Sustainable Forestry Initiative Program Standards can be found at <http://www.sfiprogram.org/>

Proposals should be submitted using this form and will be evaluated in December for the following calendar year. Proposals are accepted throughout the year and will be considered at other times as funding allows.
