Please complete a Log A Load For Kids pledge card today to commit your support to this most worthwhile project. **Make check payable to the children's hospital of your choice and indicate Log A Load in your check's Memo line.** Let's help even more children this year. Thank you!

Did You Know: The Log A Load For Kids program originated in South Carolina in 1988 to demonstrate logger commitment to community service and professionalism. The concept was for loggers and wood supplying businesses to donate the value of a load of logs to a Children's Miracle Network affiliated hospital. Funds were used in treating ill and injured children.
